

Eligibility for Title I Programs

The West Essex Middle School uses multiple measures to determine a student's eligibility for its after-school Title I program funded by the ESSA grant. Those measures may include standardized test scores, marking period grades, and/or staff recommendations. Through this program, eligible students are offered the opportunity to receive supplemental instruction to improve their performance in the classroom and on state assessments. Parents receive notification of their child's eligibility and participation in the district's Title I program.
